LIVE IN THE EPITOME OF A WELL-CONNECTED LANDMARK

Golden Pass is the key to convenient living right in the heart of ODC, a 160-acre residential, commercial, retail, and entertainment hub, is at a sweet spot between Andheri (W) and Goregaon (W). ODC comes with multi-modal connectivity with a six-lane 90-foot road linking to SV Road, the JVLR Flyover & Mrinal Tai Gore Flyover, Ram Mandir railway station & upcoming metro allowing seamless connectivity to Mumbaikars. In short, ODC is an all-encompassing location with its railway station, metro, and connector to Western Express, not just from a locational standpoint but also with educational institutes, commercial spaces, and entertainment zones.

A PRIME LANDMARK WHERE YOU ENJOY THE BEST OF BOTH WORLDS: ANDHERI-GOREGAON BENEFIT

Andheri and Goregaon, two prime localities of Western Mumbai, are much sought-after neighbourhoods with excellent infrastructure, fine educational institutions, top-notch medical facilities, premium cultural attractions, infinite avenues for a happening nightlife, retail therapy possibilities and leisure opportunities. Located at the cusp of these two premium neighbourhoods, ODC enjoys the convenience of these two locations, with the superior connectivity of its own railway station, a connector to WE Highway and social infrastructure of its own.

DISCOVER A GOLDEN FUTURE
THAT AWAITS YOU

The Oshiwara District Centre (ODC) is MMRDA's focus on planned infrastructure development with the vision of developing a future BKC. ODC boasts of an unrivalled infrastructure arrangement, including two flyovers connecting Goregaon East and West, the operational Ram Mandir station, and six 90-foot links to SV Road, the JVLR Flyover & Mrinal Tai Gore Flyover. In terms of appreciation, it is expected that once ODC is fully operational with its infrastructure development, it will command a minimum of 30-35% premium over neighbouring markets like Lokhandwala and Goregaon, just as BKC changed to an uber-premium neighbourhood once all the infrastructural development took place.

A GOLDEN OPPORTUNITY
WITH UPTO 35% APPRECIATION
& PRICE GUARANTEE

In Mumbai, real estate demands can seem insurmountable, driving many Mumbaikars out to far-off outskirts to be able to afford the home of their dreams. A dream home wish list starts with a locational advantage, followed by infrastructure support, connectivity, size of home, amenities & price - there are too many boxes to tick. More so in the Andheri, Goregaon circle, which is as rare. And if locational advantage can come with the luxury of a swimming pool and the train station a minute away, that too at an unthinkable price, then why not? Believe it or not, these are all Golden Pass has to offer you, with many other benefits. Here you can truly live up to everything you wish for and just how you wished for it.
